

Maple Tree Children's Centre

Food Share Permission

As we enjoy celebrating special events and encourage parents to send a special treat for their child's birthday or for other cultural events that are important to their family, we occasionally have some treats to share with all the children.

How would you like the educators in your child's program to do for the occasion?

- Please ask me whenever you have treats to share with children.
- Please share the treats with my child without asking me.
- Please do not share any food with my child.

My Child's Name: _____

My Name: _____

Signature: _____ Date: _____
